**NOTICE TO SHAREHOLDERS OF THE SUB-FUND
SPARINVEST SICAV - VALUE BONDS - GLOBAL ETHICAL HIGH YIELD**

Luxembourg, 7 March 2018

Dear Shareholder,

The board of directors of the Company has decided to merge the sub-fund "SPARINVEST SICAV - ETHICAL HIGH YIELD VALUE BONDS" (the "Merging Sub-Fund") into the sub-fund "SPARINVEST SICAV - VALUE BONDS - GLOBAL ETHICAL HIGH YIELD" (the "Receiving Sub-Fund").

During the period 2015 to 2016, the Merging Sub-Fund experienced performance difficulties due to a combination of high concentration risk towards specific regions/sectors and very low market liquidity. In 2015, a new investment team was established, and they have since been working on improving the investment processes and implementing a revised risk framework with the aim of having a risk/return profile more aligned with the broader market. The revised investment strategy was finally implemented in June 2016. In order to avoid any misinterpretations of historical performance and the revised investment strategy, the Receiving Sub-Fund was launched.

Instead of liquidating the Merging Sub-Fund, the Board decided to merge it with the newly launched Receiving Sub-Fund having the same overall investment strategy so that investors can continue their shareholdings in the Receiving Sub-Fund.

The assets of the Merging Sub-Fund and the Receiving Sub-Fund shall be amalgamated so that, following the merger, shareholders of both sub-funds will benefit from the merger in terms of economies of scale.

The portfolio of the Merging Sub-Fund includes the following positions, which the investment manager considers illiquid based on a conservative assessment:

ISIN of the security	Name of the security	Weight
NO0010709199	11.00% Northland Resources AB 2016	0.03%
NO0010673866	3.21% Island Offshore Shipholding LP/Norway 2018	0.02%
XS0558618384	9.50% Yuksel Insaat AS 2015	0.02%

The investment manager recommends keeping these positions in the portfolio, as it is in the best interest of shareholders. These bonds have no liquidity risk on the relevant net asset value in case of a fire sale and it is possible that the disposal of the bonds at a later stage will result in a better return due to the conservative valuation.

The merger will be carried out on 20 April 2018 in accordance with applicable Luxembourg laws (the "Merger").
